## Reflections from Fr. Derek

Dear Friends,

2022-2023 is here!

With Maine South High School students beginning this past week and our own MSW School beginning this week, summer officially ends for many in our community.

The MSW School Catholic Identity theme for this upcoming year is Mary. Throughout the year, our students will memorize Scripture passages and prayers that will help them love Mary more. They will do activities and learn songs to help them understand her role in their lives. We'll do a pilgrimage to St. Mary of the Lake (Mundelein Seminary) on the feast day of Our Lady of the Rosary in October. Like the theme of last year on the Eucharist, Marian devotion is one of the definitive characteristics of the Catholic faith. She has been called the "greatest woman who ever lived" and "our tainted nature's solitary boast." In giving her these and other titles, the Church doesn't hold back from giving her special honor. I'm very excited to see how our community's devotion to Mary will increase over the year and beyond. She's just so beautiful!

Our students who attend public grade schools are invited to attend the Catechesis of the Good Shepherd (CGS) program or participate in the Family Faith Formation program called Tuesday Nights Together (TNT). New this year is the Discover program, a child-centered apostolate that gathers about twice a month on Sundays. OLH will continue to register families in their pre-existing formation programs as well. All of the programs hope to help families understand the immense love our Lord has for us and how he desires to be one with us, especially in the Eucharist. We hope that we are not just forming the next generation of future Catholics, but also forming the young generation of today. Whereas for past generations attending weekly Sunday Mass was a given, today there is much more pressure on families to protect Sundays as the Lord's Day.

Please join us in praying for all our students in whatever way they are connected to our parish. Below is a prayer by St. Thomas Aquinas, a doctor of the Church and among the biggest brains the world has ever known. He invokes our Lady's help to grow in wisdom, knowledge, and grace.

*Mary, Seat of Wisdom,  
I choose you as my guardian and patron of my studies.  
I humbly ask you to obtain for me the grace of the Holy Spirit, so that  
from now on I can understand more quickly,  
retain more readily, and express myself more fluently.  
May the example of my life serve to honor you and your Son, Jesus.  
Amen.*

Sincerely yours in Christ,

Father Derek

# Welcome Colleen!

As many of you know Our Lady of Hope Mission has been in the process of interviewing for a Mission Coordinator - I would like to take this opportunity to introduce myself: My name is Colleen Case. I have worked in ministry of our Catholic Church for more than 20 years. I have worked as:

Director of Student Ministries, building a youth ministry program where none had existed into a program serving hundreds of students and their families, from JrH, to HS, to college and on into young adulthood.

Campus Minister at Elmhurst (College) University.

Director of Religious Education for a program of 500 families, 45 Catechists, and some 60 Parent & Grandparent Volunteers.

And most recently worked in the Diocese of Joliet as the Associate Director of the Office of Youth Formation, and Director of Teen Formation, Confirmation, Catholic Scouting and Athletics in addition to being assigned to Diocesan Task Force for each of the three Bishops:

- Missionary Discipleship Team (MDT) Task Force
- COVID Protocols & Implementation Task Force
- "Reunite" Team. Post COVID Reopening Task Force – working with our parishes - training and equipping them to know 'how do we invite our people back' after this pandemic, to engage in their faith communities, even better than they did before the pandemic'.

But it is my role of working with our priests, formation leaders and families of our 120 parishes as we navigated the ever-changing steps through the pandemic that truly crystallized the joy of the '[Ministry of Accompaniment](#)'. Not only did we help our parishes navigate all the COVID protocols, and the supply chain issues, costs, and budgets – how to gather at Mass, in classrooms, in programs, etc., we were there for them as persons, and together we managed the ever-changing landscape of both ministry and mission.

For all of us this has been a journey into a time and a place that most of us have never had to encounter.

**I think Pope Francis in his book 'Let us Dream' says it best, "[From this pandemic \(crisis\) we can come out \(either\) better or worse. We can slide back, or we can create something new](#)".** The pandemic has changed everything, "*We need a movement of people who know that we need each other, have a sense of responsibility to others and to the world*"

The reality is... we *are* a people who have been on this long journey of change and transition, and this journey is just beginning. We have sisters and brothers whom we know should be part our faith community and are not.

We the people of Our Lady of Hope and Mary Seat of Wisdom need to be a people who relentlessly invite others, who share our faith with others, and bring others along with us on this journey of life and faith. And this call to journey and accompany others is not just for our priests, or professional laity, but it is the calling of *each one of us, by virtue of our Baptism*.

So, as we celebrate the 65<sup>th</sup> Anniversary of Our Lady of Hope, we thank Our Lord, and Our Lady of Hope for their guidance, provision, and protection these past 65 years, and we ask for their continued protection and provision, as well as inspiration, creativity, and courage to step into the next 65 years, that we the people of Our Lady of Hope and Mary Seat of Wisdom may serve God well and bring many souls into His Kingdom! I invite each of us to ask the Holy Spirit to fill us with the inspiration, wisdom, and guidance to "Create Something New"!

**God - Father, Son, and Holy Spirit - Empower us!**

**Mary - Our Lady of Hope and Seat of Wisdom - Pray for us!**

## GOD'S PEOPLE GATHER- Twenty-First Sunday of Ordinary Time

Our readings today remind us of the larger story of the Bible, of God's purposes and promises for the world. Because of humanity's rejection of God, as told in Genesis, human communities were first dispersed. Isaiah proclaims that one day God will gather these communities to be healed and reconciled with God. In Luke's Gospel, Jesus echoes Isaiah and teaches that all peoples in God's promised future "will recline at table in the kingdom of God." Notice that in Isaiah, the nations coming to God do not lose their ethnicity or unique identity. They bring their own distinct cultural gifts to God's table. Each people has its unique history with God, has received distinct blessings from God, and each is accountable to God. Today, we live in a global and multi-cultural Church. When God's diverse peoples gather in worship today, may we honor and celebrate each other's gifts and blessings.

## HUMILITY - Twenty-Second Sunday of Ordinary Time

Today's readings praise the virtue of humility and offer concrete ways for us to become more humble. The Book of Sirach suggests a practical reason for acting with humility: humble people are more likeable than the arrogant. Even God "finds favor" with those who humble themselves. In Luke's Gospel, Jesus provides real-world suggestions for growing in humility and teaches us never to assume we are better than others. His words change our outward behavior and expand our hearts and minds to care about people we might have dismissed before. This practical, almost "folksy" wisdom about humility helps us behave better in daily life and makes our lofty goal of eternal life more accessible. Our reading from Hebrews affirms that heaven is indeed approachable. The personal love and sacrifice of Jesus have opened "the city of the living God" to us. Humility prepares us for paradise.

## An Invitation to Become a Member of Our Lady of Hope Church

If so, our hearts and doors are open to you! We thank God for sending you. Please introduce yourself to our Priest after Mass and please, if you would, register online at [www.ourladyofhopechurch.org](http://www.ourladyofhopechurch.org) or at the Parish Office.

We also have Mass Cards available at the parish office, during regular office hours, Monday –Friday from 9:00 a.m. to 4:00 p.m. The suggested donation is \$15 for a Mass intention. Thank you!!

What are some ways we could tend to our faith? Here are a few ideas from some of our ICSC members:

- Join, or lead, a parish Bible study group.
- Start a book club reading religious books about Saints, liturgy and Catholic practices.
- Subscribe to or download an app for a daily devotional with reflection and commentary.
- Participate in a diocesan faith-formation course.
- Check a nearby seminary for courses available to laity.
- Read religious pamphlets and the diocesan newspaper or magazine.
- Visit a library and check out Catholic educational audiotapes or DVD's.
- Search for and read online the documents and summaries from the Second Vatican Council.
- Pray every day, often.

## Interested in Ministry?

Our Ministers of Care visit the sick and homebound of the parish, bringing them communion and keeping them connected to Our Lady of Hope. We are looking for a few good people to add to this important ministry. If you feel called to keep in touch with fellow parishioners and meet some new people while performing a corporal work of mercy, this ministry is for you! The time commitment is not arduous and while ministers generally go out during the day on Fridays, you can visit at a time convenient for you and for the person you are visiting.

Basic Ministry of Care Training Course will be offered this Fall 2022. We hope you will find it to be a convenient way to prepare spiritually aspiring Ministers of Care for service to those in need, and to advance the healing ministry of Our Lord, Jesus Christ. Chaplain Rick Nash and several retired priests who live at Presence St. Benedict will take the major lead in providing this important training.

The 5-week training will take place on Wednesday evenings from September 28th through October 26th at Saint Benedict Village, 6930 West Touhy Avenue, Niles. Per Archdiocesan guidelines, it is important that new Ministers of Care attend all 5 training sessions to be mandated. Due to the potential for COVID-19 transmission, all attendees of this Ministry of Care training program must provide proof of vaccination, but booster vaccinations are optional.

Here are some important details about the training. Only those who have the endorsement of a local parish will be admitted. This implies that your pastor or parish staff members will have interviewed and screened applicants from your parish. For interested candidates, simply complete the form in the narthex and send it by mail, email or fax to Chaplain Rick Nash at Presence St. Benedict Village Nursing and Rehabilitation Center. **The form must be signed by your pastor or designee.** Thank you! The food pantry is located across the Ministry Center. The **new Pantry hours are:**

**11 a.m. to 1 p.m.**

**First & third Monday of each month** or you can call the office to make an appointment.

## Anointing

According to the Roman Ritual, anyone among the faithful “whose health is seriously impaired by sickness or old age” not only may but should receive the sacrament. Some examples include:

- A person who is considered in danger of death.
- A person who has a serious disease or medical condition (e.g. cancer, heart disease, mental illness, diabetes). The sacrament may be repeated if the person’s condition becomes more serious.
- A person preparing for surgery, if a serious illness is the reason for the surgery.
- An elderly person if they have become notably weakened by age, even if there is no particular serious illness present.
- A seriously sick child.

Please keep in mind the following:

- ◆ No emergency is necessary.
- ◆ The ideal manner of celebrating the sacrament is in the midst of family and close friends who can join the priest’s prayer. Only an ordained priest can administer the sacrament of the anointing of the sick.
- ◆ The purpose of the sacrament is to unite the sick person’s ailments to the Lord’s passion and resurrection – in a sense to anoint the pain or discomfort and render it more Christ-like. It brings peace. It is better for the person to be conscious and aware of the Sacrament.
- ◆ Thus, the anointing of the sick is for the living. In fact, the Church does not permit anointing for anyone who has already died.

If you or a loved one require the Sacrament of Anointing of the Sick, please call the parish office.
